

Drinking Fountain Round

Wall Mounted

Wall Mounted Drinking Fountain with push button drinking bubbler is the approved design drinking fountain for government schools. The Compound mouth guard protects teeth from damage. The material is resistant to sunlight and bacteria. The bubbler is angled to provide water over the centre of the bowl for easy access.

The Round Wall Mounted Drinking Fountain can be mounted at heights to suit the application.

Models:

SPPL.DF.R.WM.300

Code explanation:

SPPL = Standard Product Plumbing

DF = Drinking Fountain

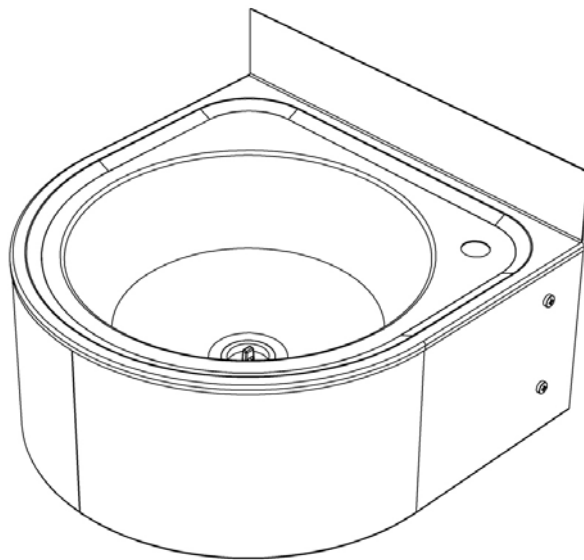

R = Round

WM = Wall mounted

300 = 300mm Splashback (optional)

e.g.: for specification and ordering

SPPL.DF.R.WM (tiled upstanding edge as shown)
